"Nearly Famous" were fantastic and had everyone up dancing straight after dinner. They got compliments all round - even from the MD! They played a great mix and seemed to play all night long without a break. So, thank you to them!

Hi Corina,

Nearly Famous were fantastic and I wanted to thank you for the recommendation and please, pass on my thanks to the band for a superb job. They did exactly as requested and performed the right music for the audience to enjoy the night. Have had numerous compliments from delegates and great to work with such a tight professional outfit.

Many thanks once again to all.

Cheers

Also, Julian was fantastic, he did a very impressive job. Steve was equally impressed, though he has always thought very highly of Julian talents.

Speak to you soon

Just dropping you a line to say what a great band you have! I have received really positive comments this morning about the music and with a cross section like our group, it's difficult to get the right mix. But you did! Many thanks for being so co-operative Hope we can work together again sometime

Everything went very well on Friday night at the ENJO Business Centre Opening.

...And Nearly Famous - well they may well soon be Really Famous! ENJO have asked me to find out whether they might be interested in playing at their National Festival which we manage for them. It is being held at Conrad Jupiters on the Gold Coast in June this year. Could you approach them and get a quote for me please? We would probably have them play at the ENJO talent night after all the states have done their acts. This is just an enquiry at this stage, so tell them not to get too excited!

Look forward to hearing from you when you return from your holidays.

Thanks again!

Kind regards,

Mike

Very positive feedback on Nearly Famous. I guess with the African Drummer he was part of the arrival process, and probably not noticed as much. I thought he did a great job, but as you would expect he was not as prominent as Nearly Famous. Thanks for organising the entertainment for us - a great night was had by all.

2000 HIA-ANZ South West Housing Awards

What a fantastic night!

The dust has settled on what was a successful South West Housing Awards Presentation Dinner. This success could not have been achieved without the team at BBC Entertainment.

Nearly Famous were fantastic! Their ability to read the crowd and further promote the theming of the event is a credit to them. The guests thoroughly enjoyed themselves dancing the night away to the sounds of Nearly Famous...

They Actually Danced

Everyone thoroughly enjoyed themselves and the night was a great success. This success could not have been achieved without the team at BBC Entertainment!

Nearly Famous were terrific! I have been told that the guests DO NOT DANCE in Geraldton. Nearly Famous should be called "Famous and Loving it". They did a great job...

We got a lovely letter from Anne Holt about Sat night. The section which referred to you was:

Thank you for recommending the Twang Gang, they were also fabulous and we would like to use them again sometime. I appreciated their willingness to co-operate with the dancers which probably cramped their style but they were very gracious and complied with all requests. We love getting letters like that!

On behalf of the Australian Equine Veterinary Association I would like to thank you for providing the entertainment for the Gala Dinner associated with our recent conference at The Vines Resort.

"Nearly Famous" provided an excellent variety of entertainment and were able to adapt to the ever-changing mood of the evening by providing easy listening back-ground music as well as the more lively dance music...
